Helpful Hints!

Use a sharp pencil and have a rubber handy.

Fill the answers in very lightly.

Sometimes there are two answers which could be right. Look at another clue to see which one you should use.

Example: A vehicle with three letters could be *bus* or *car*.

Words you may need to ask about ...

sl. means **slang**.

abbr. stands for **abbreviation** which means 'short for'.

anag. stands for **anagram**. This is when the letters of the clue change places to give the answer.

Example: The word *pets* could change to *step*.

Ask the family if you get stuck.

Have fun!
